

# Welcome Terril Alumni

Dear Alumnus

The date of our all class reunion is approaching and we thought we should email again and inform everyone of the progress.

The cut off date for registration will be July 1<sup>st</sup>. We have had a great response and look for many more sign ups this last month. We are requesting you send your meal money (\$16.00 each) prior to the reunion as it will simplify things that night. You can make your checks out to the Terril Alumni and send them to:

Jerry Nelson  
Box 1003  
Spencer, IA 51301

Right now we are planning to eat at 5:00 unless something changes.

We would like everyone to gather up any pictures of school days. Soon we hope to have a site available for you to share your photos. We will have class pictures of all the classes on the website. A photographer has been hired to take class pictures the night of the banquet. I'm sure none of us has changed a bit since the day we graduated! He will also be taking candid photos thru the night.

We are enclosing a schedule of Terril Fun Day in this email. Some things to note are the tour of the school from one to three and also the community band at 7pm. If anyone would like to participate in the community band please contact Jim Eldridge at 712-837-5864. I'm sure there will be Hollywood scouts in the crowd!

To say thank you, the faculty, secretaries, librarians cooks and custodians will receive their meal for free. We have contacted some of them but we need help to spread the word. Please contact them and let them know about the reunion.

Lastly, please help us to spread the word of the reunion. Those of you with email addresses please email, phone, or physically send your classmates a letter. The web site for signing up is [www.Terril.com](http://www.Terril.com) .

See you at the Reunion!
